Are you planning to execute your treatment.

# Feature highlights

## Common treatments.

- Dental Implants.
- Invisible Orthodontics
- All on X technique
- Veneers
- Dental Crowns

## How we work?

### Easy steps to follow.

1. Our representative will contact you via zoom meeting or phone call to discuss your solutions.
2. We'll take care of you, setting all requirements for your doctor's appointment, stay, treatments and as tours are optional according to your agenda.
3. Once you start your treatment your smile will shine again.

## Smile Design

It is an aesthetic and functional process in dentistry, that focuses on improving and customizing the appearance of the smile according to the specific needs and desires of each patient. Includes transportation, complete evaluation, teeth whitening, photos, panoramic x-ray, models, and mock-ups. Price: \$8,000 (both arches) - \$5,000 (one arch).

## All On X / All On Four/:

Dental implant technique to replace an entire arch of teeth. This includes transportation, IV sedation, complete evaluation, panoramic X -Ray, photos, extraction of remaining teeth, bone graft, and membrane. Price range \$19950 USD - \$23500 USD

## Invisible Orthodontics

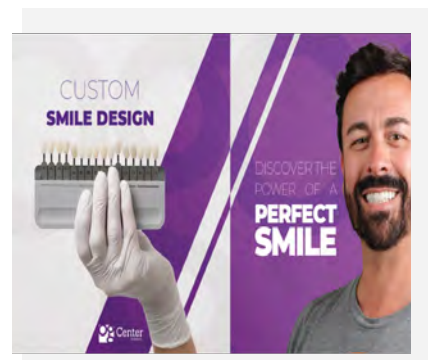

A highly innovative orthodontic own treatment that uses custom-made transparent aligners to gradually and precisely move teeth to their correct position. These aligners are virtually invisible and can be removed for eating, brushing, and flossing, allowing for excellent dental hygiene. Aesthetic, comfortable, and removable. Price ranges from \$4,000 to \$6,000 depending on complexity.

## Dental Laboratory

**Innovation and Technology:** Over four years of experience as a leading dental laboratory in national technology.

**High Aesthetic Materials:** Use of PMMA, Zirconia, and Emax, focusing on high aesthetic and durable results.

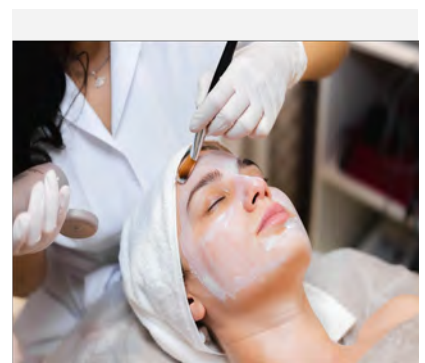

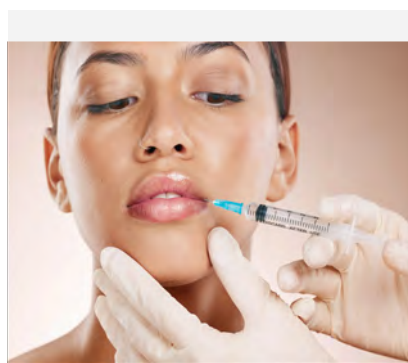

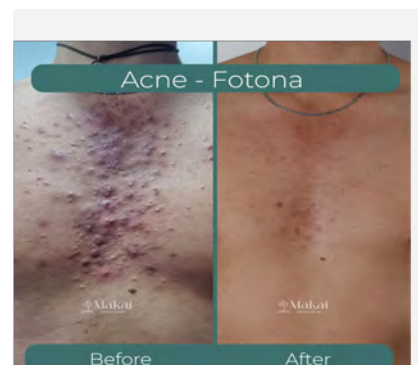

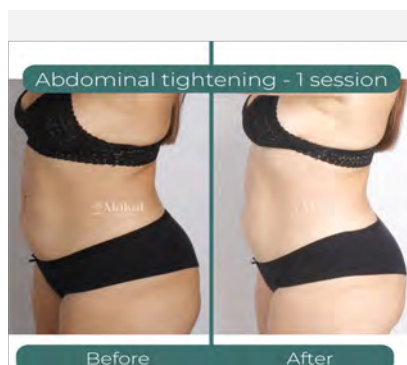

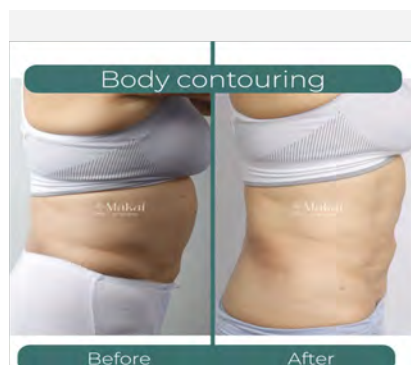

**Digital Workflow:** Milling and finishing processes with efficient timelines for temporary and final restorations

# Makai Esthetic Center

We are a service provider of Makai Esthetic Center , a commerce partner with a solid combination in technology for your esthetic treatments.

The core of our treatments merge a cutting-edge technology that redefines the standards of contemporary aesthetics.

## Solutions

On the Acne treatment we work on the acne bacteria by making it dry and eliminate, we also work on the scars caused by acne and improve your skin condition.

### Tesla Chair:

It is an electromagnetic field that provides a powerful analgesic effect. It increases blood flow and neuronal plasticity, promoting the regeneration and strengthening of pelvic floor tissues. Special recommended for urinary incontinence, fecal incontinence, vaginal rejuvenation, postpartum rehabilitation, erectile dysfunction and hysterectomy candidates.

### Body Treatment:

Our treatments are designed to effectively remove unwanted fat, tone and sculpt, giving you the confidence you deserve.

### Face Treatment:

Discover a unique experience designed to revitalize your skin, soften wrinkles and highlight your natural beauty.

### Fotona Laser:

Discover excellence in skin rejuvenation with our Fotona Laser treatment. This non-surgical procedure redefines beauty by addressing every layer of the skin, from the most superficial to the deepest.

### Pressotherapy:

Treatment to improve circulation and reduce fluid retention.

### Facial Cleansing:

Procedure to cleanse and revitalize the skin

### Botulinum Toxin:

Reduction of wrinkles and fine lines.

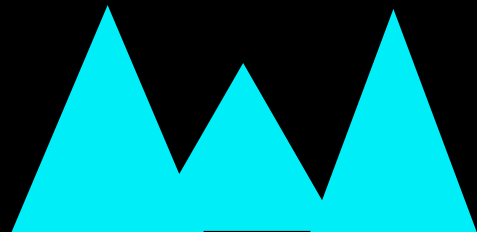

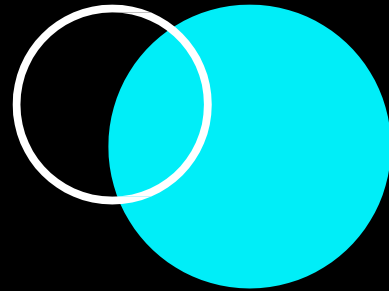

### Lip Fillers:

Procedure to add volume and shape to the lips.

### Peeling:

Peeling: Exfoliation of the skin to improve texture and appearance.

# Tours in Costa Rica

Our packages have tours as part of your experience. We can organize tour to the pacific beach, rain rorest, volcanos and city tours upon your agenda.

Our tours include everything you need to relax and enjoy our nature. At VG, we believe that your journey to a "perfect smile" or desired aesthetic treatment should also be an adventure through the stunning landscapes of Costa Rica. That's why we've designed exclusive, all-inclusive 2-day tourism packages, ensuring that the moment you land, you're immersed in our "Pura Vida" experience—surrounded by nature, wildlife, and unforgettable scenery.

Arrival: We recommend scheduling your arrival at Juan Santamaría International Airport on a Monday morning. You'll be personally greeted by a member of our VG family and our experienced, bilingual tour guide. With years of expertise, they will take you on breathtaking tours of Costa Rica's volcanoes, beaches, and national parks.

Get ready for a once-in-a-lifetime experience that combines world-class medical and aesthetic treatments with the unparalleled beauty of Costa Rica. Let's begin your journey!

# VG Medical Services

We recognize our responsibility for best Dental and Aesthetic treatment for our clients. This does not solely mean the achievement of the best price on a given treatment. As a family-owned business, we take great pride in the personal touch we bring to our services. My two daughters, Victoria and Adriana, are integral to the VG team. Victoria, who is also a lawyer, ensures that all our operations are handled with the utmost professionalism and legal expertise. Adriana, with her extensive experience in customer service, is dedicated to making your experience as smooth and enjoyable as possible.

At VG Medical Services, we believe in treating every client like a member of our own family. We're committed to providing you with not only excellent dental care but also a warm and supportive experience throughout your journey with us.

I'd love the opportunity to discuss how we can assist with your dental needs and help you explore the beauty of Costa Rica. Please reach out to me directly or visit our website for more details. We're here to answer any questions and make your experience exceptional. Thank you for considering VG Services. We look forward to welcoming you to Costa Rica and taking care of you like family.

Thank you for your preference.

Chales Van Ginkel
